

You don't need to hug a tree – just photograph it!

Wolvercote Commoners' NEWSLETTER April 2021

During the recent periods of lockdown and restricted travel, many of us have been getting better acquainted with our local landscapes, and some marvellous photographs have been produced. Drawing on this fund of creativity and talent, the

Wolvercote Tree Group is inviting you to submit your favourite photographs of local trees, illustrating the different seasons and focusing on those in the immediate area of Wolvercote and Wytham, with a view to producing a 2022 calendar featuring the best submissions. To submit a photograph for consideration upload your image(s) to your Instagram account using #wolvercotetrees #month (e.g. #jan) and your name. If you don't have an Instagram account, send the image to wolvercotetreegroup@gmail.com and they will upload it for you. The Tree Group committee will select the 12 winners to appear in the 2022 calendar which will be sold to raise funds for the work of the Tree Group. Photographs must be high-resolution and preferably landscape format (portrait is possible if of high enough resolution). So, if you have pictures from last November and December 2020 you would like to submit, please do so now!

Submissions must be in by the end of October. Any questions or queries, email wolvercotetreegroup@gmail.com
